

**Progressive Tennis** uses a systematic progression of court sizes, balls and racquets in order to scale the game down to an appropriate level for junior players. It's all about instant gratification as kids learn to rally and play right away.

**Adult Stay and Play** gives parents an opportunity to learn tennis while your child is learning. It is a convenient clinic designed to introduce Tennis fundamentals at a discounted rate of only \$126.00 for 8 sessions. (incl. Gst)

"Lionel is the only coach I would ever advise for anyone. He is capable of being a coach, a father figure, a mentor, a disciplinarian, a confidant and a friend. He has helped me so much and been there for me when I needed him. He pushed me when I needed someone to push me and helped me see things more clearly. He taught me how to be a tennis player and a person. Thank you, Lionel." – **Sylvia Jaros**
